Dear Camper,

Camp Sonlight is only a few months away and we are getting everything ready. We have some great things in store this year – The Keffer Family Gospel Singers will be at camp the whole week, singing for us. Brother Paul Keffer will be speaking to Teen Camp and Brother Joe Poissant will be speaking in Junior Camp. They have both already begun preparations for their classes and I know you will have a great time. Get your applications in right away. As you know the facility we rent closed down a couple of cabins, so our enrollment is a little smaller than in the past. That means you need to send in your papers ASAP so you don't have to go on the waiting list. I look forward to hearing from you SOON!

Pastor Tim Taylor
